

Corte Madera Creek Watershed

The watershed encompasses 28 square miles. Tributaries to Corte Madera Creek include Fairfax Creek, Cascade Creek, Sleepy Hollow Creek, San Anselmo Creek, Ross Creek, Tamalpais Creek, and Larkspur Creek. Corte Madera Creek is tidally influenced, as are the lower reaches of Larkspur and Tamalpais creeks.

The watershed is under the jurisdiction of Marin County and the incorporated communities of Corte Madera, Larkspur, Fairfax, Ross, and San Anselmo.
